Each party hereto hereby undertakes to not cause any harm to the other party's reputation in the market and to not make, whether directly

## 7. NO WARRANTY AND DISCLAIMER OF LIABILITY

The software is warranted to substantially conform to its written documentation for a period of two (2) weeks following the purchase of the license key. As your sole and exclusive remedy in the event of a breach of this warranty, 3CX will, at its option, replace the software with conforming software, or refund any amount paid by you to 3CX for the software. 3CX and its licensors do not make any, and hereby specifically disclaim any, other representations, endorsements, guaranties, or warranties, express or implied, related to the software including, but not limited to, the implied warranty of merchantability, title, fitness for particular purpose and non infringement of intellectual property rights. 3CX does not warrant that

The Licensee acknowledges that 3CX does not guarantee compatibility between the Software and any future versions thereof. The Licensee acknowledges that 3CX does not and cannot guarantee that the Licensee's computer environment will be free from unauthorized intrusion or otherwise guarantee the privacy of Licensee's information. The Licensee will have sole responsibility for the adequate protection and backup of the Licensee's data and/or equipment used with the Software. The entire risk as to the quality and performance of the Software and any obligation with respect to service and support is borne by the Licensee.

The Licensee's sole exclusive remedy for any claim arising under this license or from use of the software, is that 3CX will use commercially reasonable efforts to issue licensee with a replacement for any defective software or media. 3CX and its parents, subsidiaries, affiliates,

shareholders, directors, officers, employees, licensors and agents (the "3CX Parties") shall not be liable under any legal theory for any damages suffered in connection with the use of the software, including without limitation, indirect, special, incidental, multiple, consequential, punitive or exemplary damages, including, but not limited to, loss of profits, data or use ("Excluded damages"), even if any party

was advised for the possibility of any excluded damages or any excluded damages were foreseeable. In the event of a failure of the essential purpose of the exclusive remedy, as licensee's sole and exclusive alternative remedy, the Licensee may receive actual direct damages up to the amount paid by the Licensee to 3CX for the software. The Licensee hereby expressly releases the 3CX Parties from any and all liability or responsibility for any damages caused, directly or indirectly, to the Licensee or any third party as a result of the use of the software or the introduction thereof into the Licensee's computer environment.

The above disclaimer of warranty and liability constitutes an essential part of this License and the Licensee acknowledges that Licensee's installation and use of the Software reflect Licensee's acceptance of this disclaimer of warranty and liability. Certain jurisdictions may limit 3CX's and its licensors' ability to disclaim their liability to you, in which case, the foregoing disclaimer shall be construed to limit 3CX's and its licensors' liability to the maximum extent permitted by applicable law.

## 8. TERM AND TERMINATION OF LICENSE

This License is valid until terminated. The Licensee may terminate this License at any time by destroying or returning Licensee's copy of the Software and all Confidential Information as set forth below. This

License will terminate immediately if the Licensee defaults or breaches any term of this License. ## 11. EQUITABLE RELIEF

It is agreed that because of the proprietary nature of the Software, 3CX's and its Licensors' remedies at law for a breach by the Licensee of its obligations under this License will be inadequate and that 3CX and its Licensors shall, in the event of such breach, be entitled to, in addition to any other remedy available to it, equitable relief, including injunctive relief, without the posting of any bond and in addition to all other remedies provided under this License or available at law.

In addition to purchasing communications and internet access from a third party provided, The Licensees must configure the software to enable emergency calls, position control centers or to any other emergency number available in The Licensees' community. 3CX disclaims any express or implied warranty of fitness for such uses.

3CX shall have no liability or responsibility arising out of any communications service provided by a third party, including, but not limited to emergency services or any acts, omissions, failures or interruptions of service, negligence or other misconduct of any communications (including emergency numbers) service provider, other

emergency call center provider, reseller, The Licensee or 3CX. 3CX makes no representation or warranty, express or implied, with respect to the nature, scope, extent, performance, compatibility or quality of any third party communications or internet access service, including emergency numbers or similar services. The Licensee hereby agrees to indemnify, defend and hold harmless 3CX and 3CX Parties and any other communications or internet access service provider who furnishes services to The Licensee, from and against any and all claims, demands, suits, proceedings, liabilities, settlements, attorneys' fees, costs, expenses, penalties, fines, judgments and damages of any and all kind whatsoever (including without limitation, reasonable attorneys' fees) by or on behalf of a The Licensee or any users, arising out of or otherwise relating to any acts, omissions, failures or interruptions of service, negligence and other misconduct of 3CX in connection with third party communications or internet access service, including but not limited to emergency numbers.
